

Patch cords - TECHNICAL CHARACTERISTICS

Copper Cat. 5 UTP patch cords

Scope

Connection between communications equipment ports and a modular patch panel system.

- transmission performance comply with Standards: ANSI/TIA/EIA 568B for 5e category and ISO/IEC 11801 and CEI EN 50173 for 5 category

Netsafe patch cords are designed to support high-speed Ethernet and voice networks (useful with 03024.3 patch panel) and applications such as:

- 25/52/155 Mbps ATM
- TP-PDM
- Ethernet (10BASE-T)
- Fast Ethernet (100BASE-TX)
- Gigabit Ethernet (1000BASE-T)
- 4/16/100 Mbps Token Ring
- 5, 5e or D class category

Copper Cat. 5e UTP and FTP patch cords

Scope

Connection between communications equipment ports and a modular patch panel system.

- transmission performance comply with Standards: ANSI/TIA/EIA 568B pfor 5e category and ISO/IEC 11801 and CEI EN 50173 for 5 category

The patch cords are designed to support high-speed Local Area Networks (LAN) and applications such as:

- 25/52/155 Mbps ATM
- TP-PDM
- Ethernet (10BASE-T)
- Fast Ethernet (100BASE-TX)
- Gigabit Ethernet (1000BASE-T)
- 4/16/100 Mbps Token Ring
- 5, 5e or D class category

Copper Cat. 6 UTP patch cords

Scope

Connection between communications equipment ports and a modular patch panel system.

- transmission performance comply with Standards: ANSI/TIA/EIA 568B, ISO/IEC 11801 and CEI EN 50173 for 6 category

Supported applications

- 25/52/155/1200 Mbps ATM
- TP-PDM
- Ethernet (10BASE-T)
- Fast Ethernet (100BASE-TX)
- Gigabit Ethernet (1000BASE-T)
- 4/16/100 Mbps Token Ring
- cat. 6 or E class

Patch cords

Copper Cat. 5 UTP patch cord

03010.1	RJ45 Cat. 5 patch cord, unshielded, 24 AWG 4-pair cable, PVC sheath, yellow - 1 m
----------------	---

03010.2	As above - 2 m
----------------	----------------

03010.3	As above - 3 m
----------------	----------------

03010.5	As above - 5 m
----------------	----------------

03010.5

Copper Cat. 5e UTP patch cord

03017.05	RJ45 Cat. 5e patch cord, unshielded, 24 AWG 4-pair cable, PVC sheath, grey - 0,5 m
-----------------	--

03017.1	As above - 1 m
----------------	----------------

03017.2	As above - 2 m
----------------	----------------

03017.3	As above - 3 m
----------------	----------------

03017.5	As above - 5 m
----------------	----------------

03017.1

Copper Cat. 5e FTP patch cord

03018.1	RJ45 Cat. 5e patch cord, shielded, 24 AWG 4-pair cable, PVC sheath, white - 1 m
----------------	---

03018.2	As above - 2 m
----------------	----------------

03018.3	As above - 3 m
----------------	----------------

03018.5	As above - 5 m
----------------	----------------

03018.1

Copper Cat. 6 UTP patch cord

03019.1	RJ45 Cat. 6 patch cord, unshielded, 24 AWG 4-pair cable, PVC sheath, blue - 1 m
----------------	---

03019.2	As above - 2 m
----------------	----------------

03019.3	As above - 3 m
----------------	----------------

03019.5	As above - 5 m
----------------	----------------

03019.1
