

Signal reception socket outlets - TECHNICAL CHARACTERISTICS

EDP socket connectors

Signal reception socket outlets

EDP socket connector

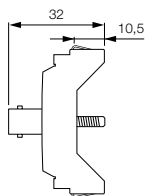

Δ 16350.C8.B	Bayonet type coaxial socket connector, jack BNC, for RG58 cable crimping
16350.C9 .B	Bayonet type coaxial socket connector, jack BNC, for RG59/62 cable crimping
Δ 16350.C3.B	Bayonet type coaxial socket connector, jack BNC, for RX93 cable crimping
16350.S .B	Bayonet type coaxial socket connector, jack BNC, for RG58, RG59/62, RX93 cables soldering
Δ 16352 .B	Screw type biaxial socket connector, jack TWINAX, for biaxial cables soldering - 2 modules
