A collection of approximately 15 spools of thread in various colors (black, grey, blue, light blue, green, yellow, orange, red, pink, white) are arranged on a black circular stand. Below the stand is a white embroidery machine with a needle plate and a control panel. The machine has the brand name 'XIS' visible on its side.

EMBROIDERY SERVICE

Using the latest in embroidering technology, Oceanair's in-house embroidery service allows for the personalisation of our soft furnishing range, accurately transforming images and text. Choose a contrast stitch to add a personal touch to your sheets and pillow cases, in one of many available colours.

- 86 available embroidery fonts
- 16 embroidery colours
- RAL colours available to order
- Simple order process
- Ability to transform Vector or JPEG images into embroidery
