A POWER SOCKET WHEN YOU NEED IT - A CUP HOLDER WHEN YOU DON'T

## 360 WATTS OF POWER

Power your fish finder, blender, Starlink, air pump, and more with 12v @ 30a of safe, consistent power, conditioned to prevent spikes and shorts.

## SAFETY BUILT-IN

Uses wireless authentication and smart leads to power only authorized accessories. Until then, it's just a cup holder—metal cups and spilled beer, no problem.
